IT'S THOUGHTFUL. IT'S Rustomjee

IT'S THOUGHTFUL. IT'S Rustomjee

For 29 years, we have taken pride in crafting a legacy of luxury landmarks that have defined the skyline of Mumbai. We have brought to life world-class amenities, like-minded communities, and unparalleled lifestyles - rooted in our design philosophy of blues and greens, in perfect harmony with nature.

At Rustomjee Crescent, we took this vision further, creating an exceptional 1.2-acre gated estate, the only one of its kind in Pali Hill. Here, every detail is designed for the extraordinary. From world-class amenities to a like-minded community, Rustomjee Crescent is a seamless blend of luxury and nature. Brought to life by the finest international minds, our landscape and architecture partners: SOG Design and COEN International.

And at its heart lies a true masterpiece: one of Mumbai's longest rooftop pools. Conceived to be more than just an architectural feat, this immersive experience mirrors the city's vibrant energy and elegant lifestyle. With an infinity-edge illusion, breathtaking panoramic views, and intelligent lighting that transforms from day to night, it's a space where exhilaration meets serenity.

Whether you're diving in for a swim or hosting the most talked-about soirée in town, here, life is your canvas.

AT THE CORE OF OUR BLUEPRINT: GREEN THINKING.

Our commitment to thoughtful sustainability is reflected in every detail of our design and every part of our floor plan.

Every design decision, from the materials used to the services provided, is made with a focus on minimizing environmental impact while maximizing comfort and quality of life.

Here are just a few thoughtful features that create a space to prioritize both luxury and the environment:

Organic waste composting

An on-site composting system to efficiently treat biodegradable waste.

Solar panels

Harnessing solar energy to power lighting in common areas, reduces reliance on conventional sources.

Water-saving fixtures

Low-flow taps and fixtures designed to minimize fresh water usage without compromising comfort.

Rainwater harvesting

A dedicated tank to collect and store rainwater, promoting water conservation and self-sufficiency.

Energy-efficient lighting and equipment

LED lights and high-efficiency pumps in common areas to cut down on energy use and operational costs.

Eco-friendly services

VOC paints, rainwater harvesting, sewage treatment plants and organic waste converters are a few services we provide to support sustainable living.

Double-glazed, full-height windows

These windows optimize natural light by blocking harmful UV rays and heat, ensuring an ideal quality of light without compromising on energy efficiency.

Green roof

A landscaped roof absorbs sunlight, and enhances overall sustainability.

EV charging points

Enable sustainable transportation by supporting electric vehicles with efficient charging solutions.

THE HEART OF ELEGANCE, THE SOUL OF HERITAGE.

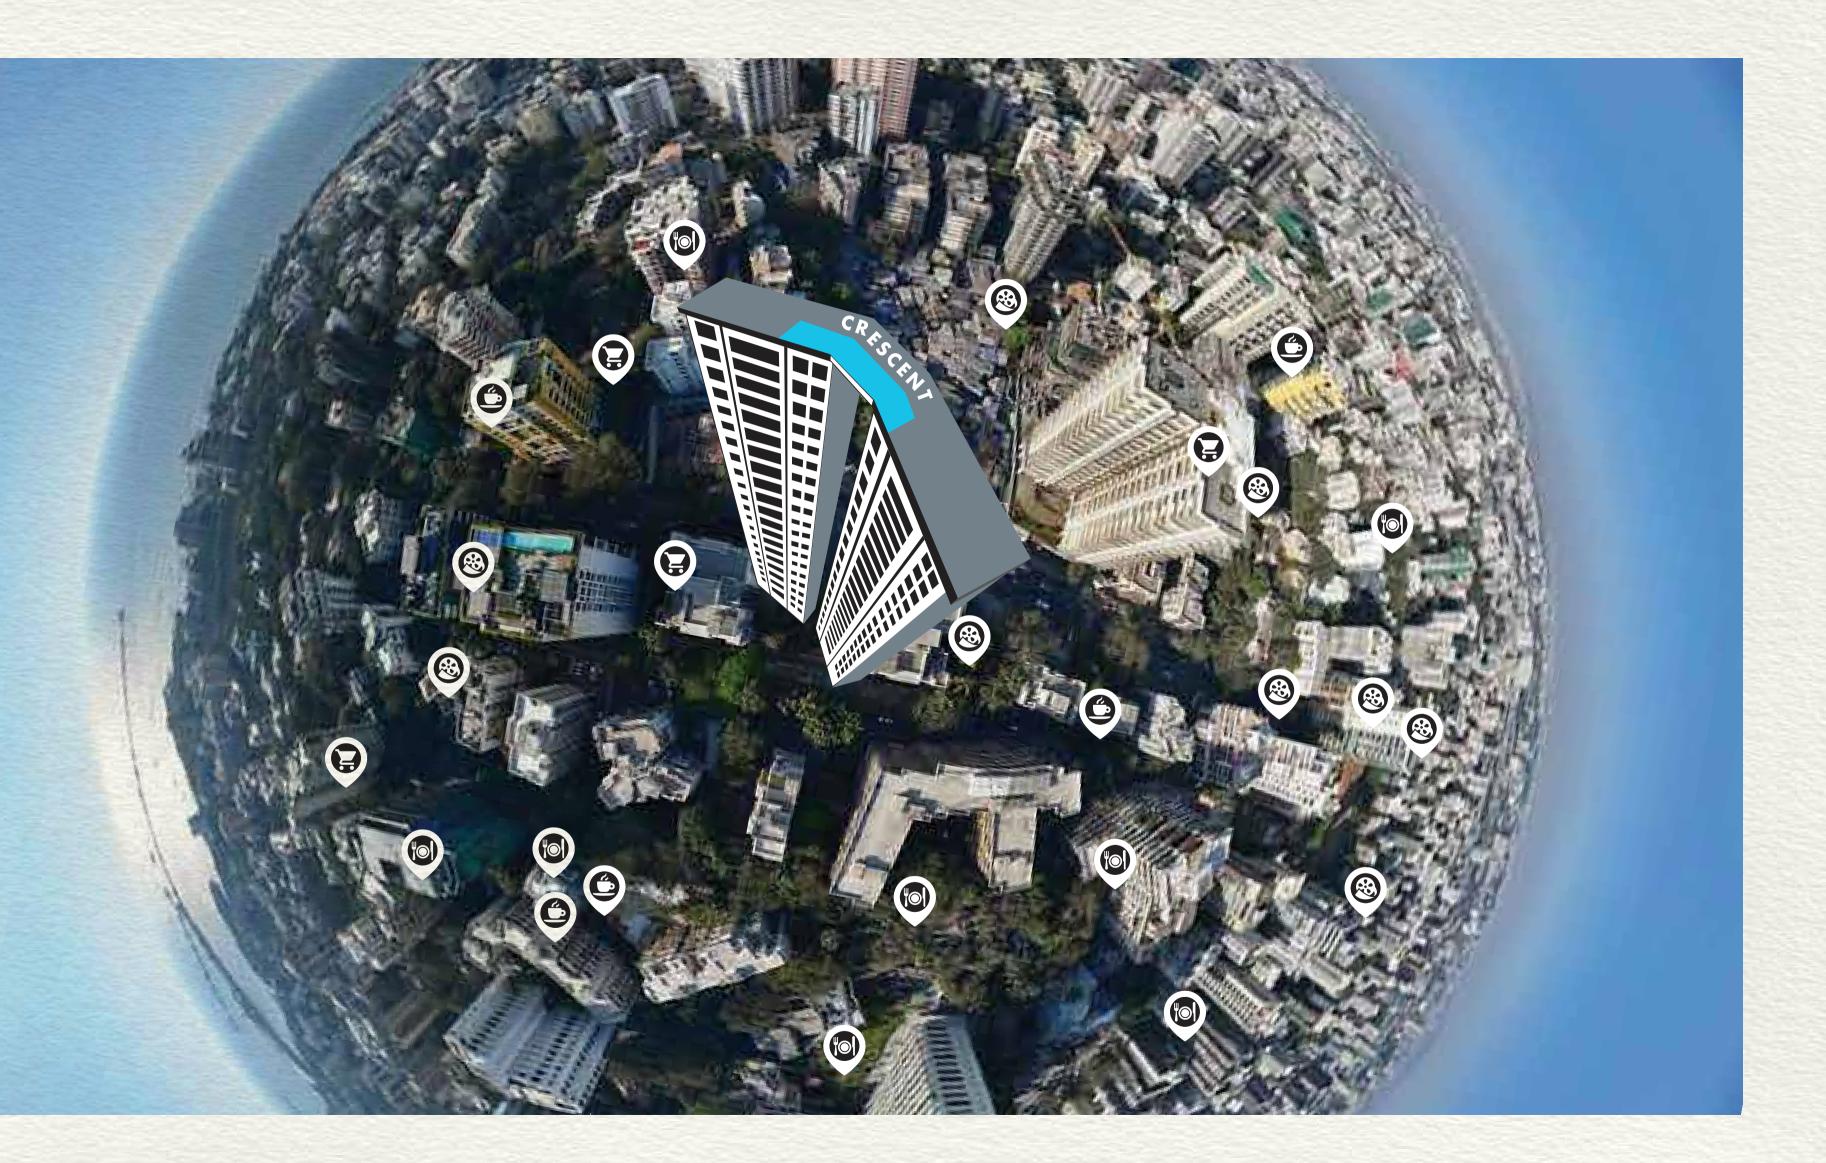

Amidst lush green canopies and winding lanes, Rustomjee
Crescent rises as a tribute to the timeless charm of Pali Hill.
History lingers in the Art Deco facades, quaint churches, and charming bungalows while Pali Hill buzzes with gourmet restaurants and lively cafés.

It's where the vibrant red of Gulmohar trees meets the serene blue of the distant sea.

Once a quiet suburb, Pali Hill has grown into Mumbai's beating cultural heart. Here walls come alive with street art, and the air hums with the spirit of a quiet sophistication.
